What Is True Americanism?

Americanism is NOT Nationalism!

In this crisis it is **imperative** to have a **clear** understanding of terms, which mean one thing in some countries and another elsewhere.

Precision of definition is of vital importance because it is a self-preservation fight of Patriotism against Communistic Internationalism.

While Patriotism is the basis on which rest Americanism, Nazism, Fascism and Nationalism, **its practical application differs in the United States.**

In Germany Patriotism and Nationalism are **one.** In Italy, the same. Nationalism is redeeming Patriotic Spaniards. The National Spirit is resurging in Britain. Japan is essentially nationalistic.

AMERICANISM PATRIOTIC INDIVIDUALISM

TRUE Americanism is Patriotic INDIVIDUALISM. It is individual to the very **core.** It is an unique combination for **personal progress FIRST,** united against common enemies **within** as well as without.

The United States of America are **not** "a nation" like those of Europe. They are A UNION federated for **common** welfare and protection against common enemies. This federation is **not** "a nation" OTHERWISE.

The United States Union is neither a pure democracy nor a true republic, since the centralized or **national** powers thereof are **greatly and strictly limited** by a written constitution.

STATE MAJORITY RIGHTS RETAINED

The forty-eight states retain THE MAJORITY of their sovereign or "national" rights. They delegated to Washington **only** 18 specified "national" powers on the theory that through such action the **common** interests of **all** would be best served.

State INDIVIDUALITY was therefore **retained** in internal

What Is True Americanism?

Americanism is NOT Nationalism!

In this crisis it is **imperative** to have a **clear** understanding of terms, which mean one thing in some countries and another elsewhere.

Precision of definition is of vital importance because it is a self-preservation fight of Patriotism against Communistic Internationalism.

While Patriotism is the basis on which rest Americanism, Nazism, Fascism and Nationalism, **its practical application differs in the United States.**

In Germany Patriotism and Nationalism are **one.** In Italy, the same. Nationalism is redeeming Patriotic Spaniards. The National Spirit is resurging in Britain. Japan is essentially nationalistic.

AMERICANISM PATRIOTIC INDIVIDUALISM

TRUE Americanism is Patriotic INDIVIDUALISM. It is individual to the very **core.** It is an unique combination for **personal progress FIRST,** united against common enemies **within** as well as without.

The United States of America are **not** "a nation" like those of Europe. They are A UNION federated for **common** welfare and protection against common enemies. This federation is **not** "a nation" OTHERWISE.

The United States Union is neither a pure democracy nor a true republic, since the centralized or **national** powers thereof are **greatly and strictly limited** by a written constitution.

STATE MAJORITY RIGHTS RETAINED

The forty-eight states retain THE MAJORITY of their sovereign or "national" rights. They delegated to Washington **only** 18 specified "national" powers on the theory that through such action the **common** interests of **all** would be best served.

State INDIVIDUALITY was therefore **retained** in internal

affairs. In the practice of the principle of ordered liberty the people of the states thereby also guarded **individual** rights not clashing with those of fellow-citizens.

States rights are essentially MAJORITY RIGHTS since only a limited number of **national** powers were delegated to the central **sub-national** government at Washington. Such retained majority rights constitute **a safeguard against usurpation by minority,** for a highly centralized government is **easily** subverted by any powerfully organized minority. **Not so 48 sovereign states.**

WASHINGTON NOT A "NATIONAL" GOVERNMENT

Washington is therefore a sub-agency **without** NATIONALISTIC jurisdiction except as to certain carefully indicated and restricted powers. **It has no other legal control over the INDIVIDUAL STATES.**

The first Americans were pioneering INDIVIDUALS. Native Americans are essentially "INDIVIDUAL." The truly assimilated foreign-born citizen has become largely "INDIVIDUAL." Under the circumstances, the state is **bound to prominently reflect such an underlying trait.**

That is Individualism FROM THE GROUND UP!

INDIVIDUAL Americanism is the deadliest foe of Communism, whose protocolic manifesto admits: "We must **discredit personal initiative;** NOTHING IS MORE DANGEROUS TO OUR CAUSE."

Personal Initiative was destroyed in Russia **first,** depriving the masses of intelligent counter-revolutionary **leadership.**

THE SOVIET SLAVE EMPIRE

Lusting for world-power, the dictators of the Soviet **Slave** Empire have sought to destroy Individual Americanism with the wrecking-tool of Communism, working under a false front of Human Rights.

Americanism is the spearhead of Constructive Patriotism that will defeat the reverse-movement of Destructive Communism because Personal Initiative is the Spirit of Individualism that makes the world move forward.

The Communist **in reality** is the world's greatest REACTIONARY because his doctrine LEVELS DOWN—SUP-

PRESSING the CREATIVE genius that is the **Soul of Progress.**

The attempt of the "Red" Roosevelt Regime to transfer supreme power to Washington **was designed to destroy ordered Individual Liberty** by subjugating it to **highly Centralized NATIONALISM**—easily undermined by an organized minority. Analysis shows that most of the New Deal legislation was **deliberately directed toward breaking down the majority rights reserved by the states.**

U. S. WANTS NO MASTER-LEADERSHIP

Americans want **no** MASTER-Leadership because such dictatorship **destroys** their INDIVIDUALISM, their self-reliance, their personal liberties, their "equal opportunity."

True Americanism **challenges** the foreign concept that "Communism can only be successfully counteracted by a political movement organized on strictly racial and national lines."

Too many races make up the American Organism to produce a "Single Racial Soul." Our Individualism automatically opposes regimentation into a unification which makes the nationalized socialistic state MASTER.

The racial-national concept may work in Germany and Italy. **It will fail in the United States** because this country was founded by individualistic pioneers who thoroughly inculcated the theory that Man should be the Master of the State—**in direct contrast to the Slave State of the Soviets,** or other dictatorships.

AMERICA'S SUPREME OBJECTIVE

The **Supreme** Objective of Americanism is the good of the Individual FIRST through ordered personal liberty.

The **Supreme** Objective of the Socialist-Communist Philosophy is the good of the State FIRST through regimentation of the individual into a machine.

Not only should our patriotic aim and purpose ever be the Ideal of Americanism FIRST, BUT AMERICANISM OVER ALL IN THE U. S.—since its organism **cannot live, poisoned by alien doctrines.**

INDIVIDUALISM AND COMMUNISM ARE AT BAY! They are in a Life-and-Death Struggle!

The sinister forces of Communism are highly organized into the greatest solidarity despotism the world has ever known. Their secret of power rests on MONEY-CONTROL, Finance, Economics, which are used to destroy Freedom of the Press, American Individualism's main defense.

INDIVIDUALISM IS UNORGANIZED

Individualism is still unorganized, yet it is confronted by the greatest crisis in its history.

But American Personal Initiative MOVES FAST when self-preservation is **at stake.** The Siren of Maudlin Tolerance has lulled its "Eternal Vigilance" into fancied security.

It took Communism more than 20 years **to get headway.** With **proper** enlightenment, American Individualism can be in concerted momentum "overnight."

Aroused, the Spirit of Thought moves far faster than Physical Materialism.

It is now up to American Individualism to free political leaders from **secret sinister control.** This is a "Liberty or Death" fight.

"Divide and Rule"—is the effective strategy of the Communistic enemy of Individualism. In this connnection, note carefully what follows.

LANDON FACES COMPROMISE

Alfred M. Landon may be elected President in place of Roosevelt; but it is admitted that he will be without practical power since Congress cannot be Republican **in any event.** It is argued that he will have to COMPROMISE.

The force of circumstances has already provided **a fertile field of division** through the compromise process. It is a **ready-made** "divide and rule" set-up for a "national coalition union."

AND WITH CONTROL OF ITS PRESS IN THE HANDS OF THE ENEMY, WHAT CHANCE HAS AMERICAN INDIVIDUALISM AGAINST SUBVERSION?

Since the "Red" Roosevelt Regime failed to get full control of the United States, is it the prospect of this ready-made **divisible** coalition situation that causes "conservative" leaders of aliens **to announce their support of Landon;** so that, on BOTH sides, false leadership may usurp and **misdirect** Individualism?

"THE TERRIBLE POWER OF THE PURSE"

This "conservative" element has direct command over "the terrible power of the purse" to a degree **far greater** than its radical Allies. And it moves **silently and unseen** in contrast to the direct-action violence advocated by the controllers of Communism. Political Judases sell themselves and their country.

We now come to the **heart** of the matter.

Walter Lippmann, noted syndicate columnist, wrote in the N. Y. Herald Tribune of Sept. 8 and 10, 1936, as follows:

"I do not believe that the problems of this age can be solved by **personal** leadership. We shall **need** in the years ahead a government which will act in the spirit of NATIONAL union. Because the Republicans cannot control Congress in the next four years, Mr. Landon must (if elected President) establish a government of NATIONAL union. Because I am convinced that Governor Landon is in a POLITICAL situation where he must conduct a government of NATIONAL union; and because I believe that **by temperament and by his views** HE IS DISPOSED TO SUCH A GOVERNMENT—I SHALL VOTE FOR HIM. SOLIDARITY among the American people is, I think, of PARAMOUNT IMPORTANCE."

A COMMUNAL MINORITY-ELEMENT

Walter Lippmann is by blood allied to a Minority Solidarity that for thousands of years has been systematically and tribally COMMUNAL, socialistic and paternalistic in its ideas. Its leadership has publicly supported democracy apparently because such a pure political philosophy, practically applied, best promotes, through division of masses, the Messianic Complex "common purpose" of a notorious materialistic people, whose false leaders are motivated by an obsession that they are spiritually chosen to rule (ruin?) the Gentile world.

Jewish ideals are not **Christian** objectives. America was founded by **Christian Individualists,** and over 75 per cent of its population follows Christian Principles. As bearing on the sentiment of some of the rest of the inhabitants, it is noteworthy that an atheist recently visited the office of the author to make the declaration that he would support our pro-American crusade because he preferred to live as a free citizen under a Christian Government, rather than as a Jewish SLAVE.

GEORGE WASHINGTON AGAINST SOLIDARITY

Now, contrast the Lippmann policy with that of George Washington, "Father of Our Country," in his immortal "Farewell Address" and patriotic advice to fellow-countrymen, **with its warning against concentrating power or consolidating NATIONALISM.** He said:

"It is important that the habits of thinking in a free country should inspire caution in those entrusted with its administration **to confine themselves** within their respective constitutional spheres, avoiding, in the exercise of the powers of one department, **encroachment** upon another. The spirit of encroachment TENDS TO CONSOLIDATE THE POWERS OF ALL DEPARTMENTS **IN ONE,** and thus to create, whatever the form of government, **A REAL DESPOTISM.** In any government of popular character; in governments purely **elective,** it is a spirit not to be encouraged.

UNDERMINING THE AMERICAN SYSTEM

"Combinations or associations may now and then answer **popular** ends; but they are likely to become **potent engines** by which cunning, ambitious and unprincipled men will be enabled **to subvert the power of the people, and usurp for themselves the reins of government.** ONE METHOD OF ASSAULT MAY BE TO EFFECT, IN THE FORMS OF THE CONSTITUTION, ALTERATIONS WHICH WILL **IMPAIR THE ENERGY OF THE SYSTEM,** AND THUS TO **UNDERMINE** WHAT CANNOT BE **DIRECTLY OVERTHROWN.**

"The batteries of internal and external enemies will be **constantly** and actively—OFTEN **COVERTLY** AND **INSIDIOUSLY**—directed against your political fortress. **WATCH OVER ITS PRESERVATION WITH JEALOUS ANXIETY."**

POLITICAL RABBIS DEMAND SOCIALIZATION

Now observe the following contrast:

The Social Justice Commission of the powerful Jewish Central Conference of American Rabbis issued the following statement appearing in the N. Y. Times of Sept. 13, 1936:

"There is **only one way** in which the American people can escape Communism and Fascism, and that is by establishing A THOROUGHLY **SOCIALIZED DEMOCRACY.**

"It is true that WE CHALLENGE **THE PRESENT** SOCIAL SYSTEM (in America). It is true that in order to establish social justice, **WE ADVOCATE A SOCIALIZATION OF THE BASIC SOCIAL ENTERPRISES."**

A "thoroughly Socialized Democracy" is essentially Jewish!

If there be among us those who are dissatisfied with our constitutional form of government, LET THAT MINORITY GET OUT! **Americans did not invite alienism to this Christian country to meddle with their philosphy of life.**

"CHRIST ONLY AN INDIVIDUAL"

Dr. Samuel Margoshes is one of the leaders of American Jewry. He is editor of "The Jewish **National** Day" of New York. Under his name in the Sept. 12, 1936, issue of that paper the following was printed:

"Years ago I came across a book entitled "The Man Nobody Knows." Upon reading, the book turned out to be a treatise on Christ.

"The author was right. The Founder of Christianity has remained unknown in his essential qualities to most of Christendom. But, Jesus, after all, WAS **ONLY** AN INDIVIDUAL.

"There is A PEOPLE Nobody Knows—and this is the Jewish People."

A COMMUNISTIC CONCEPTION

The foregoing typically exemplifies how Jewish leaders regard Individualism, the Soul of Americanism. Dr. Margoshes brushes aside the Greatest INDIVIDUAL the world has ever known as worthy of little consideration as compared with "The Jewish PEOPLE."

Thereby is vividly exposed the ancient and modern "COMMUNAL" and paternal foundation of Jewish thinking "in reverse," for INDIVIDUALISM is responsible for all real human **progress,** since **"the mass,"** as such, **does not create ideals.**

Here may now be envisaged: COMMUNISM VS. INDIVIDUALISM at the SOURCE.

Therefore, Americans may ask the question: Are not Jewish Ideals ANTI-AMERICAN, **since America was founded**

on Christian Principles, and "Fundamentally, **Judaism is anti-Christian,"** according to the London Jewish World of March 15, 1923? Also, since the London Jewish Chronicle of April 4, 1919, declared: "The Ideals of Bolshevism are at many points **CONSONANT with the finest Ideals of Judaism."**

The Soul of Americanism Faces **Crucifixion! On its re-birth hangs the Fate of the Union!**

FOR PATRIOTIC INDIVIDUALISTS, THE PRESERVATION OF AMERICANISM IS WORTH **ANY** SACRIFICE!
